

Dear Parents and Carers,

If your child is turning 4 this academic year (so was born between 1st September 2020 and 31st August 2021) they are eligible for a primary school place in Reception class at a primary school in September 2025.

Kent County Council (KCC) and Surrey County Council (SCC) have different application systems. So if you would like to apply for schools in both Kent and Surrey you will have to register on both systems.

KENT

The KCC application system will open on **5th November 2024** and close at midnight on **15th January 2025**. You can apply for 3 schools listing them in order of preference. It's in your best interests to list 3 schools. If you live in Kent, the website to apply for school admissions is below:

<https://www.kent.gov.uk/education-and-children/schools/school-places/primary-school-places>

SURREY

The SCC applications system will open on **5th November 2024** and you can apply for up to 3 schools. The closing date is also **15th January 2025**. If you live in Surrey (or would like to apply for a Surrey school), the website to apply for school admission is below:

<https://www.surreycc.gov.uk/schools-and-learning/schools/admissions/primary-junior-and-infant/apply>

We are so lucky to have so many amazing primary schools on our doorstep and to help you out we have listed some of their open days below.

As our Marsh Green families span from Marlpit Hill to Marsh Green, we have included quite a range of schools throughout the area (Kent and Surrey). We suggest that you have a look at the websites of the school and attend the open days of the ones that you are interested in. It is important that you choose the right primary school for your child and family so it would be beneficial if you are able to visit to see them for yourself and to ask questions.

Please check individual websites for more details as you may need to book onto some open days.
